Activity: Blood Donation Awareness Rally

Activity 1

Date: 25.4.2018

Organizing Unit: NSS

Number of Students Participated: 60

Report: Taking into account the scarcity in the blood banks of Malda district, the importance of Blood donation for the entire society in general, and hesitation in general public regarding blood donation due to various false beliefs about the effects of blood donation the NSS unit of our College took the initiative of hosting a rally involving students and faculty members of our College. The rally began from the College premise with banner and slogan regarding the importance of blood donation. The rally moved around the surroundings of the College and interacted with local people. After an hour long campaign the rally returned to the College and the program ended with vote of thanks delivered by the co-ordinator of NSS unit.

Activity 3

Activity: Safe Drive, Save Life

Date: 05.10.2018

Organizing Unit: NSS

Number of Students Participated: 50

Report: Taking into account the accident prone roads surrounding our College and the tendency to engage in rash driving in the local people, the NSS unit of our College organized a campaign promoting 'Safe Drive, Save Life'. A group of students was formed in the College for the campaign. Students joined the campaign with signboards and banners. Students started the campaign in presence of the NSS co-ordinator at the nearby four-point crossing and interacted with the travelling people, encouraging them to wear helmets and explaining the need for adopting safety measures while driving. After a campaign of two hours the group of students returned to the College premises. The program ended with vote of thanks by the NSS co-ordinator.

Activity 4

Activity: Swachha Bharat

Date: 14.12.2018

Organizing Unit: NSS

Number of Students Participated: 40

Report: Adopting our country's ideal of keeping our surroundings clean, the NSS unit of our College organized a Swachha Bharat campaign within the College premises for making the participating students aware of the importance of cleaning the surroundings. The NSS co-ordinator gathered participating students in the College ground for the activity. Students were provided necessary accessories like brooms, dust pan, gloves, and mask for the activity. The students thoroughly cleaned the College premises for almost two hours and gathered the collected garbage in dustbins, which were later disposed in garbage collection vans brought from nearby Panchayat office. The program ended with vote of thanks delivered by the NSS co-ordinator.

Activity: Distribution of Mask and sanitizer

Activity 9

Date: 08.06.2020

Organizing Unit: NSS

Number of Students Participated: 10

Report: During the Pandemic our NSS unit organized a mask and sanitizer distribution program for the people of surrounding rural areas of the College. Due to the restrictions observed during the Pandemic period regarding minimization of large gatherings, our NSS unit engaged a limited number of students and faculty members for the activity. The team visited all families in surrounding areas and distributed mask and sanitizer to them, explaining the importance of using these for protection against the Pandemic. The activity ended with vote of thanks from the NSS co-ordinator.

Activity: Vaccination Camp

Activity 10

Date: 20.09.2021 & 23.09.2021

Organizing Unit and Collaborating Agency: NSS and District Health Department

Number of Students Participated: 10

Report: In order to fight the Pandemic our NSS unit collaborated with Malda district's health department for a vaccination camp, open to students and local people. Due to the restrictions observed during the Pandemic period regarding minimization of large gatherings, our NSS unit engaged a limited number of students and faculty members for the activity. Nearly 700 people received vaccination from the camp. The team co-operated with team sent by district health department for conducting the vaccination camp. The activity ended with vote of thanks from the NSS co-ordinator.
